PHOTOGRAPH & VIDEO AGREEMENT FOR STUDENTS

Dear Parents/Guardians,

At Mossgiel Park Primary School, we celebrate the efforts of our students by mentioning their participation in school events and their achievements in our school newsletter. Sometimes photographs of our students are included.

Photographs and videos of our students may appear on our class blogs, wikis or be shared with you through apps including Class Dojo. These sites are protected and can only be accessed by school students and staff.

Our school website and brochures also show images of students.

We also invite the local newspaper to school events and they are expected to follow school policy on the publication of photographs of our students.

If you have any concerns about how photographs or video of your child may be used by the school, please let us know.

Mrs Jenny Scott
Principal
